| 7			Student Enrollment
KDE Contact (Data Steward)	Cheri Meadows	Updated	12/16/14
Description	As new students are enrolled in the school, the process referenced below should be followed to ensure students are enrolled correctly and duplicate student records are not created. **All districts should be using the Student Locator to enroll students.**		
Data Standard Reg sites, data use, etc.	- Student identification - identifying students and being able to track students as they transfer from one district or another is important for tracking a student's progress. - Student Records Transfer - the student locator function allows Kentucky districts to transfer education records with the students. This helps a teacher see the student's background to better meet the student's educational needs. KDE strongly recommends that districts import enrollment history on transferred students. Enrollment history is necessary to verify school entry information on the Demographics tab, 9th grade entry on the Graduation tab, number of days enrolled in a KY school for KEES and number of days enrolled for school accountability. - Prevents Duplicate Students – failure to link prior education records to new enrollment creates duplicate students in Infinite Campus. Fixing these duplicates is much more difficult than setting the student up correctly initially; there can also be costs associated with the clean-up. - KRS 159.170, 702 KAR 7:125, 704 KAR 7:090, OAG 82-44

← Add student information – field definitions below

Last Name: The last name given to a student at birth or legal court documents, as indicated on their birth certificate, social security card or passport or through a legal name change; such as, adoption or marriage

certificate. If student has dual last names, whether hyphenated or not, both last names should be entered in this field. **NO PUNCTUATION including hyphens/dashes or apostrophes should be used even if it appears on the birth certificate or other legal documentation**. **BEST PRACTICE**: When a student's last name contains the last name of both parents, questions arise over the order of entering the last names. Based on common practice, KDE suggests listing the father's last name first and the mother's maiden name as the second last name. When enrolling students with dual last names, district personnel may need to search the Student Locator on both last names separately or in combination to locate the correct student. When reviewing the results of the search, the user can hover over the names to see the district where the student was last enrolled to help identify the correct student.

First Name: The first name given to a student as indicated on their birth certificate, social security card, passport or through a legal name change; such as, adoption or marriage certificate. The first name should contain the proper first name of the student, including dual first names such as Anna Maria. Please do not use nicknames here. **NO PUNCTUATION including hyphens/dashes or apostrophes should be used even if it appears on the birth certificate or other legal documentation**.

Middle Name: The middle name given to a student as indicated on their birth certificate, social security card, passport or through a legal name change; such as, adoption or marriage certificate. If a student does not have a middle name, it should be left blank. If only the middle initial is given, do not put punctuation at the end of the letter. If a female student is married, it is acceptable to put the maiden name in the middle name field. If a student has more than one middle name, please place both names in the middle name field. **NO PUNCTUATION**; **including hyphens/dashes or apostrophes should be used even if it appears on the birth certificate or other legal documentation**. *Note: Even though this field is not required within Campus, it is important to include the middle name if available since it is used for properly identifying and matching students, e.g. John James Smith vs. John Paul Smith.*

Suffix: Select student's suffix, if any, from drop down menu, an appendage used to denote a student's generation in his family. (e.g., Jr, Sr, III).

Gender: Select student's gender from drop down menu - Male or Female

Birth Date: Enter month, day, year (mm/dd/yy or mmddyy) on which the student was born. *Note: In other countries, the common format is DD/MM/YYYY so please ensure the birthdate is entered correctly when enrolling a student.*

Social Security Number: This field should contain the official number given by the Social Security Administration. If a student or parent refuses to give the information, it should be left blank. DO NOT place the student number in the SSN field. The field should only contain the SSN as assigned. **Required for KEES report of students in grades 8-12. KDE recommends completing this field for all students when information is available as this data is used for matching students for various state and federal reporting purposes.**

Race/Ethnicity: Select the appropriate answer for the ethnicity question, '**Is the individual Hispanic/Latino?**' Hispanic or Latino means a person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race. The term ``Spanish origin'' can be used in addition to ``Hispanic/Latino or Latino.'' After selecting the appropriate answer to the Hispanic question, at least one of the following race codes must also be selected:

- **American Indian or Alaska Native** - A person having origins in any of the original peoples of North

and South America (including Central America), and who maintains a tribal affiliation or community attachment.

- **Asian** - A person having origins in any of the original peoples of the Far East, Southeast Asia or the Indian subcontinent including Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.
- **Black or African American** - A person having origins in any of the black racial groups of Africa.
- **Native Hawaiian or Other Pacific Islander** - A person having origins in any of the original peoples of Hawaii, Guam, Samoa or other Pacific Islands.
- **White** - A person having origins in any of the original peoples of Europe, the Middle East or North Africa.

Race/Ethnicity Determination: Select the appropriate Race/Ethnicity Determination option from the dropdown list, if applicable. The option selected identifies how the individual's race/ethnicity was determined. The options are listed below:

- 01 - Parent Identified
- 02 - Self Identified
- 03 - Observer Determined
- 04 – Unknown

Birth Country: Select country in which student was born from drop down menu; system default is United States

Date Entered US School: Enter month, day, year (mm/dd/yy or mmddyy) the student **first entered a K-12 program in a school in the United States.** A student who has been attending one or more schools in any one or more States for more than three full academic years is no longer classified 'immigrant'. The U.S. Department of Education defines state as one of the 50 states, Puerto Rico and the District of Columbia.

Original KY School Entry: Month, day, year (mm/dd/yy or mmddyy) of an individual's initial entry into a Kentucky public school - If a student enrolls in Kentucky as an entry-level student, withdraws to non-Kentucky school and returns several years later, the original entry date would NOT change. **(Initial Entry Only)**

Home Language: To be identified as LEP the 'Home Language' field must be selected as a language other than English. Choose from an alphabetical list of world languages. Selection of 1630: OTHER will result in a warning and the student will be included on the LEP extract. Home language is defined as the language most frequently spoken at home. This information is obtained through question 1 on the Home Language Survey available at http://education.ky.gov/specialed/el/pages/english-learners-and-immigrant--resources.aspx. **In the case of a foreign-born student living in an English speaking home of his/her adopted family, choose the student's native language.** If a student's Home Language is Native American, select Native American from the home language drop down menu. Then select the specific Native American Home Language from the drop down menu.

Native American Home Language: This field should only be populated when the Home Primary Language selected is Native American. Then choose from an alphabetical list of Native American languages. If the language is not on this list, choose *OTHER*.

Service Type: Indicates the type of enrollment and the intended service the student receives. The system defaults to P-Primary. Choose the appropriate type:

- **P: Primary** – All students must have a primary enrollment. That enrollment may or may not be in Infinite Campus. If this is the student's only enrollment, the type should be P:Primary.
- **S: Partial** – Should only be used if the student has a primary enrollment in another school, ie. students attending a vocational school part of the day, or middle school student attending a high school for advanced services, or students attending a school that does not offer their grade level (their primary enrollment should be at the school they would otherwise attend).

7C	State Reporting Fields
Campus Path:	**Student Information > General > Enrollment Tab > State Reporting Fields**

State Exclude: Check this box if student's attendance should not be calculated for ADA reporting purposes. (This is not required for preschool students. They are automatically excluded from SAAR.) The student's enrollment record will be flagged in red. Student's attendance will show as .00 on all attendance reports unless the selection is made to exclude these flagged students. These students may be included on other non-attendance related reports and the student's data will still be synched to the state edition.

Perkins Only: This checkbox should only be marked on a student's enrollment record in a technical school that receives Perkins funding for the student rather than funding based on the student's attendance. The Perkins Only indication will exclude the student from Growth Factor and SAAR.

Migrant: An individual that is under the age of 22 years old; entitled to a free public education; is a migratory agricultural worker/fisher or has a parent/guardian or spouse that is; and has moved within the preceding 36 months in order to obtain or seek qualifying work, or to accompany/join one who has.

NOTE: A migrant student may or may not be an immigrant, and may or may not be a refugee.
KEY FEATURES: nature of parent's work and mobility across school districts

*This checkbox is available for districts if they want to keep track of their migrant population, it is not used for federal reporting and is **not** required. Infinite Campus State Edition has a migrant tab in which the four regional data clerks input the data for federal reporting purposes. They ensure that the student migrant number matches the student SSID.*

If your district would like to use the migrant indicator, please contact your regional migrant director. Our [website](#) contains a Statewide Migrant Map that identifies your director. They will be able to provide an accurate list of migrant students in your area that can be used to populate this field. Additionally, local migrant staff receive a current enrollment report that can be used to maintain data in this field

Economic Indicator: This field has been hidden from view, but the information will still be available when generating reports of prior year's data. Information on free/reduced lunch status is now recorded in the FRAM module. See the FRAM section of this document for details on required data elements.

Immigrant: Under Title III NCLB**,** Immigrant student is defined as an individual who:
   a) Is age 3 -21
   b) Was not born in any State (of the United States of America) NOTE: The USDOE defines state as one of the 50 states, Puerto Rico and the District of Columbia. Adopted children from other countries and children born on military bases are included in this definition.
   c) Has not been attending one or more schools in any one or more States for more than 3 full academic years.

NOTE: An Immigrant student may or may not be an LEP student. An immigrant may or may not be a migrant and may or may not be a refugee.

See separate data standards document for additional information regarding immigrant data.

Refugee: Refugee is defined as a person outside of his or her country of nationality who is unable or unwilling to return because of persecution or a well-founded fear of persecution on account of race, religion, nationality, or membership in a particular social group, or political opinion. Refugee families may also have fled from war or natural disaster.
NOTE: A refugee student may or may not be an immigrant or may or may not be a migrant.
KEY FEATURE: reason for immigration to the United States

Out of State: Checkbox to indicate a student that resides in another state; leave Resident District blank.
NOTE: Student must be placed in the NCO – Non-Contract Out of State Attendance Group

Extra Year in Primary: The primary program is a prerequisite for entrance into the fourth grade. If it is determined that a primary student is not prepared for entrance into the fourth grade, an additional year in primary may be offered to the student. The local school district must determine if the student has met the requirements for promotion to fourth grade. Example: According to student records maintained by the school, student A has not met the necessary requirements to complete the primary program. The school will be offering a fifth year in primary to the student to fully prepare the student for fourth grade. The student should be marked as Retained on their previous year enrollment and marked with the Extra Year in Primary indicator on the current year enrollment.

504 Program: Select checkbox if student with disability meets the conditions under section 504 of the Rehabilitation Act. This does not include children with disabilities who have an IEP.

School Choice: Kentucky has received a waiver from the USDOE from this requirement. School Choice is not an option for the 2014-15 school year.

Homeless: Select indicator if student lacks a fixed, regular, and adequate nighttime residence. [USDE Homeless Non-Regulatory Guidance](#) defines a student as a homeless child or youth if sharing the housing of other persons

due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; are abandoned in hospitals; or are awaiting foster care placement; children and youths who have a primary night-time residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings; children and youths who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; and migratory children who qualify as homeless for the purposes of this subtitle because the children are living in circumstances described above. The term 'unaccompanied youth' includes a youth not in the physical custody of a parent or guardian.

If a student is marked homeless at any point during the school year, the homeless checkbox must remain checked through the remainder of the school year, regardless of whether or not his/her status changes.

NOTE: Access to this field should only be given to the appropriate staff, consider CONFIDENTIAL.

Living Status: Select the Living Status of the student at the time the student is identified as homeless

>   01: Emergency Runaway Shelter
>   02: Motels/Hotels
>   03: Public/Private Nighttime Shelter
>   04: Special Care Facilities
>   05: Spouse Abuse Center
>   06: Uninhabitable Places (Example: Buses, Cars, Old Buildings, Campgrounds, etc.)
>   07: Friends or Relatives
>   08: Awaiting Foster Care Placement
>   09: Unaccompanied youth – not in the custody of a parent or guardian

See separate data standards document for additional information regarding homeless data collection and reporting.

Foreign Exchange: Required to be checked if student is part of the Foreign Exchange Program

NOTE: *LEP students cannot be marked as Foreign Exchange students. Foreign Exchange students cannot be marked LEP and are not eligible for LEP services.*

Dropout Questionnaire Date: The date on which the dropout questionnaire was completed. The questionnaire is required if W25 withdrawal code is selected as end status. A copy of the questionnaire should be kept on file in the central office.

Resident District: Select from drop-down menu the student's district of residence (where the student lives) for contract and no contract students.

School of Accountability: Select from drop down menu the school accountable for Nonacademic data if other than the school where the student is enrolled. . If not entered for student enrolled in a non-A1 facility, the nonacademic data for that student will be tracked back to the school of enrollment.

District of Accountability: Select from drop down menu the district accountable for Nonacademic data if other

than the district where the student is enrolled. If not entered for student enrolled in a non-A1 facility, the nonacademic data for that student will be tracked back to the district of enrollment.

KEES Override: This field should be marked with a 'Yes' or 'No' when a student has special circumstances that override the established criteria for KEES eligibility. For example, a student who is a convicted felon should be marked 'No' even though they would otherwise be KEES eligible. A student considered KEES ineligible because they had been enrolled in a district less than 140 days should be marked 'Yes' if they have been enrolled in public schools in the state of Kentucky for at least 140 days and have a Yearly KEES GPA or 2.5 or above.

Underage Waiver: The underage waiver checkbox may be used for a student previously enrolled in a public school in a state that allows enrollment at an age younger than Kentucky, and their aggregate days attendance will **not** be adjusted from ADA. The checkbox may also be used for students who are 5 but not more than 6 years old as of October 1 who are accelerated in Grade 1 through the regulatory process, including KDE approval of the acceleration prior to use of the checkbox.

Note: Special Education Fields are covered in a separate data standards document.
